507-444-6261 • FAX 507-455-9412

I am very pleased with the work Retrofit did for Sign Pro of Owatonna. Our energy bills have been reduced dramatically and our employees are happy with the improved conditions. My business is always open for review by any of your potential customers. Special thanks to Darren Johnson for helping us on this project.

I recommend you often to the businesses we deal with.
