

New LED Rebates Available, Starting March 1, 2019*

To provide our Minnesota business customers with more ways to save energy and money, we're increasing our line of LED rebate offers. These new rebates will be available for qualifying LED fixtures and lamps which have an invoice date of March 1, 2019 or later.

More rebate options for LED high/low bay fixtures and retrofit kits

Our current rebates offered for high/low bay fixtures and retrofit kits will expand to include more options. Customers will be able to earn these rebates when they replace their existing fluorescent fixtures, in addition to HID's. The rebate levels for new LED fixtures are the same, whether they're installed to replace either fluorescents or HID's; but vary depending on the wattage of the new LED fixtures and whether or not they are DLC-qualified.

New equipment		Existing equipment	Non-DLC qualified rebate/unit	DLC qualified** rebate/unit
LED high/low bay fixtures	95W-189W	HID and fluorescent fixtures	\$101.25/fixture	\$135/fixture
	190W-290W		\$112.50/fixture	\$150/fixture
	291W-464W		\$150/fixture	\$200/fixture
	465W-625W		\$187.50/fixture	\$250/fixture
Retrofit kit for LED high/low bay fixtures	95W-189W		\$30/fixture	\$40/fixture
	190W-290W		\$37.50/fixture	\$50/fixture
	291W-464W		\$60/fixture	\$80/fixture
	465W-625W		\$120/fixture	\$160/fixture

New rebates for T5 LED linear tubes

Our current rebates offered for LED linear tubes will be expanded to include T5 LED tubes, in addition to T8 tubes. These rebates are available for new LED tubes which are installed to replace existing T5, T8, or T12 fluorescents. (Note: non-installed Type A and Type B lamps purchased in cases can qualify for rebates if they will be stored on the customer's premises.)

New equipment		Existing equipment	Non-DLC qualified rebate/unit	DLC qualified** rebate/unit
T5 and T8 linear tubes	LED linear tube Type A	T5, T8, T12 fluorescent lamp	\$1.50/lamp	\$2.00/lamp
	LED linear tube Type B		\$2.25/lamp	\$3.00/lamp
	LED linear tube Type C		\$3.75/lamp	\$5.00/lamp

New rebates for LED direct linear ambient fixtures

Customers will be able to earn rebates on LED direct linear ambient fixtures which are installed to replace existing T5, T8 and T12 fluorescent ambient fixtures.

New equipment		Existing equipment	Non-DLC qualified rebate/unit	DLC qualified** rebate/unit
LED direct linear ambient fixtures	10W-35W	T5, T8, T12 fluorescent linear ambient	\$15/fixture	\$20/fixture
	36W-60W		\$18.75/fixture	\$25/fixture
	61W-100W		\$28.50/fixture	\$38/fixture

*Rebates are proposed and are pending approval from the Minnesota Division of Energy Resources.

**To qualify for a rebate, LED products must either be found on or comparable to the DesignLights Consortium's (DLC) Qualified Product and/or ENERGY STAR lists. The DLC QPL is available at designlights.org/QPL. The DLC establishes specifications for high-efficiency, high-quality commercial lighting solutions and maintains listings of qualified products.
